The Melody Within

mu - sic fills the air.
up you’ll hear what's there.

It’s not ea - sy, you must lis - ten with your heart for

what lies hid - den. There was a mel - o - dy
locked deep inside of me, but now it's free.

It found a place embraced by harmony, sweet harmony.

Love, more than anything, teaches our
hearts to sing. Only love could break the spell. Now I know very well the love within myself.
